

Dear Sir,

All too often, one complains about many things, but I want to do the reverse. We had two men from your company; Ken Reynolds and Bob Beachamp do a job for us; fascia and soffits on our home. It was not an easy job, but I want you to know that they did an excellent job and we are more than satisfied. They were very neat, pleasant and well organized. We are recommending your company to neighbours and friends.

We would appreciate it if you could acknowledge our feelings to Ken and Bob.

Thank you.

Sincerely,

Jim & Thelma Long
