

Sept, 2003

Dear George,

This is a thank you note for the excellent job installing my windows a few weeks ago. Special thanks to Lonnie for a top notch job. His patience, cleanliness and neatness were admired by all. I have never seen someone who can use a caulking gun with such dexterity.

The neighbours admired his work and the overall look of the new windows.

Once again, thanks to George Kent and Lonnie.

Regards,

T. Hosein
